

**Eleventh Annual Meeting of the
Inter-agency Working Group on Reproductive Health in Crises
5-7 November 2008
Cairo, Egypt**

Objectives:

- Review progress towards achieving the programmatic goals and future steps outlined in the Terms of Reference following the 2007 IAWG meeting held in Nairobi.
- Share information; identify key areas of common work. Plan next steps and areas of coordination and collaboration for 2008-2009.
- Establish a regional IAWG forum for Northern Africa/Eastern Mediterranean which will serve to share information and lessons learned across projects in the region and enable synergistic partnerships to minimize duplication of efforts and to fill gaps.
