IAWG 2010

12th Annual Meeting of the Inter-agency Working Group (IAWG) on Reproductive Health in Crises

Santo Domingo, Dominican Republic

24-26 May, 2010

Associated trainings scheduled for 27-29 May, 2010

The IAWG is a forum to:

- Exchange information,
- Identify challenges,
- Gain from the experience of others,
- Build partnerships, and
- Collectively work toward the institutionalization of reproductive health care for refugees and internally displaced persons.

The IAWG currently advocates for the institutionalization of reproductive health in crises by supporting regional IAWG networks in the following regions:

- Asia-Pacific
- Sub-Saharan Africa
- Middle East Northern Africa

The meeting will bring together individuals dedicated to improving the reproductive health outcomes of those affected by conflict or natural disasters, and form a regional network for the Latin America and Caribbean region. Organizations working in reproductive health or in crisis-affected settings are encouraged to attend, including new members to the IAWG.

Additional information on the meeting is available on www.iawg.net.
