

**Thirteenth Annual Meeting of the
Inter-agency Working Group (IAWG) on Reproductive Health in Crises
14-16 November 2011
Istanbul, Turkey**

Objectives:

- Review progress towards achieving the programmatic goals and future steps outlined in the Terms of Reference following the 2010 IAWG meeting held in Santo Domingo, Dominican Republic.
- Share information and identify key areas of common work. Plan next steps and areas of coordination and collaboration for 2011-2012.
- Establish a regional IAWG forum for Eastern Europe and Central Asia, which will serve to share information and lessons learned across projects in the region and enable synergistic partnerships to fill in gaps and minimize duplication of efforts.
